Ideation Phase Brainstorm & Idea Prioritization

Ideation phase
Define the problem statement

Team ID	PNT2022TMID04590
Project Name	IoT Based Safety Gadget for Child Safety Monitoring & Notification
Maximum Marks	2 Marks

I am	I'm trying to	But	Because	Which makes me feel
Parent	I need to track my child's live location	I am present in a location, far away from my child.	for me, there is no way to track the location	panic, and also lack of focus in my work
Parent	make a Geo fence, to set that boundary as a safe zone	I'm unable to do that	There is no way for me, to create Geo fence	to think over that, again and again
Parent	view the current location and also the location history	I'm unable to do that	I don't have any database options, to store that data	Frustrated and anxious
Parent	view the current weather condition in that area	I'm unable to do that	I'm unable to predict the weather in that area	Frustrated and anxious

Ideation Phase Brainstorm & Idea Prioritization

I am	I'm trying to	But	Because	Which makes me feel
Child	be in contact with my parent	I'm unable to do that	I'm in a distance far away from them	sad and worried

I am	I'm trying to	But	Because	Which makes me feel
Child	contact my family in emergency situation	I'm unable to do that	I'm in a distance far away from them	sad and worried
